## WHY MOORE GLOBAL

Moore Global has been a trusted partner to global organisations for over a century providing advice customised to meet the needs of clients.

Our success is derived from our ability to understand the challenges clients face and provide intelligent solutions.

### UNIQUELY POSITIONED

The Energy, Mining and Renewables sectors operate across the global stage.

Having worked with clients in these industries, we understand your operating environment.

We realise the importance of providing services to deliver value and offer effective solutions. We are also well aware of the dynamic nature of your industry which is international in scope, and as such poses many challenges.

Our knowledge, gathered over many years, allows us to respond to your requirements by providing the advice you need to succeed.

### RESOURCES AND CAPABILITES TO MEET YOUR NEEDS

Moore Global is a global network of independent firms with offices in all major business centres throughout the world. Moore Global is currently the 10<sup>th</sup> largest International accounting and consulting network worldwide with a strong presence in over 110 countries.

You can be confident we have the resources and capabilities to meet your needs.

---

## PRACTICAL SOLUTIONS

Our philosophy is to be immersive in our approach, provide genuine support and offer practical solutions.

At Moore Global, we aim to develop a bond of trust and confidence with our clients. We work closely and competently by 'partnering' with your management and staff.

### INDUSTRY KNOWLEDGE TO HELP ENSURE THE COMPETITIVE ADVANTAGE

When providing advice we help clients overcome industry specific issues, deal with tough decisions and capitalise on new opportunities. We have a team of professionals who are able to help you by providing advice on all relevant business, financial and commercial issues/risks.

We are able to help you navigate through the multitude of challenges and issues ahead. This leaves you free to concentrate on the core areas of your business.

### CUSTOMISED SERVICES

We do not offer boiler plate solutions. We use our knowledge of the sector to offer customised services to suit your requirements. We believe this enables us to provide astute advice and respond to your many requirements.

### CORPORATE FINANCE

Whether you own a medium to large private business or operate a mid-cap listed company, we have all of your corporate finance advice and transaction service needs covered. This ranges from valuations, merger, acquisition and divestment advice, to audits, funding, due diligence and independent expert and investigating accountant reports.

### BEST ADVICE

One of our major strengths is the active involvement of our Partners in all client engagements. Our clients can be confident they have access to expert advice.

### HELPING YOU GROW

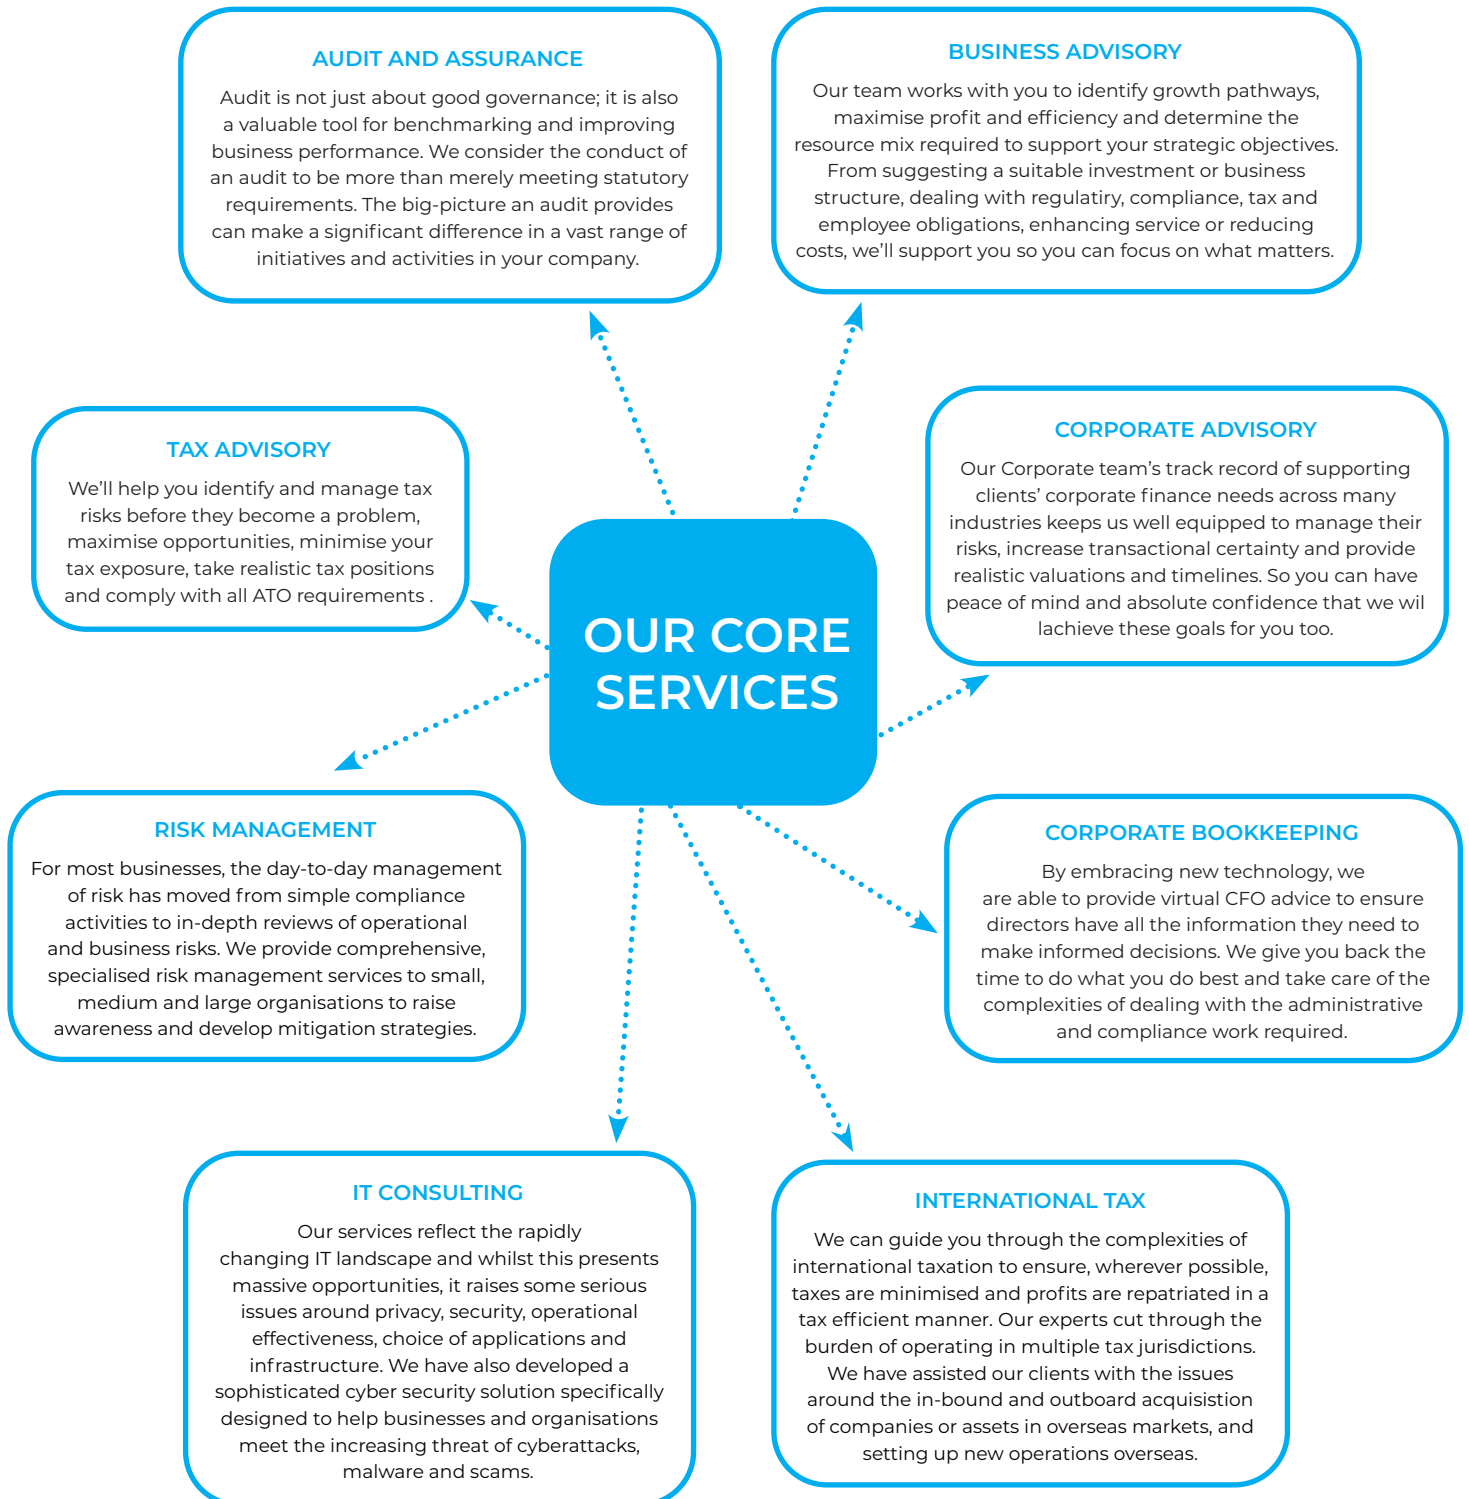

We can assist you by providing advice on:

- Maximising profit;
- Funding and capital raising;
- Investing for growth in the most tax efficient way;
- Assessment of risks and risk mitigating strategies (including IT);
- Running your business at its optimum capacity;
- Preventing or dealing with cash-flow issues;
- Understanding the overall performance of your business; and
- Managing compliance (including both external/internal audit, tax and governance related matters).

---

## HELPING YOU ACHIEVE BEST PRACTICE

At Moore Global, we take your success personally. We have a real understanding of the environment in which you operate and are ideally placed to help you.

“ HELPING YOU THRIVE ”

## GLOBAL CONNECTIONS, LOCAL EXPERTISE

We combine astute global perspectives with local business expertise to secure opportunities and drive expansion.

### BUSINESS STRUCTURE

Through our local experts, supported by a cohesive international network, Moore Global is also able to provide a full range of professional services to assist in the set-up of new business operations anywhere around the world.

We guide businesses through the different steps involved in the process, from establishing business contacts to addressing operational and trading issues. We can walk you through the complexities of international tax.

For companies already present in country we provide ongoing support for the multitude of challenges and issues arising on a day-to-day basis through the life cycle of your business.

Our team can provide you with practical advice on how to:

- Break into markets;
- Identify tax planning opportunities;
- Ensure your business structure is appropriate for international expansion;
- Take advantage of tax concessions available; and
- Ensure your employees are paying the right amount of tax.

### EXPANDING YOUR BUSINESS INTERNATIONALLY

If you are looking to establish a joint venture or set up a physical base in an overseas market, Moore Global member firms are able to provide practical support. You will have a local expert assisting your organisation, backed by the depth and breadth of the network. We combine astute global perspectives with local business expertise to secure opportunities and drive your expansion.

### YOUR INTERNATIONAL NETWORK FOR DOING BUSINESS IN ENERGY, MINING AND RENEWABLES

Moore Global is regarded as one of the world's major accounting and consulting networks, comprising over 610 offices throughout the world. With a strong presence in over 110 countries, clients can feel confident that we meet their cross-border requirements.

The network prides itself on the ability to combine local knowledge with regional, national and international skill sets.

Our team draws on the resources, knowledge and best practice of the specialist experts within our global network to ensure you exploit market opportunities and minimise your risks.

You can rely on the knowledge and expertise of over 30,000 staff in Moore Global firms around the world. All our member firms share common values: integrity, personal service and quality.

Tap into our global knowledge - our services focus on our clients' requirements with a good understanding of their needs.

## MOORE GLOBAL NETWORK

We've spent more than 100 years serving clients through our professional services. With more one-to-one support from senior partners than you might be used to, you'll always be working with professionals. Our services will help you navigate new markets effortlessly, and take advantage of every opportunity.
